

Position: Senior Fitter/Construction Manager in the field of energy and building services engineering

Location: GERMANY, Mulheim an der Ruhr und Essen

Elomech-Gruppe develops customized and forward-looking solutions. We plan, install and maintain sophisticated systems throughout Germany and are one of the leading companies in the business fields of automation, facility management, engineering services, IT services, networks, weak/strong current, communications and security technology. With over 600 employees in total, the ELOMECH Group is one of the leading service providers for industry, trade, banks and insurance companies. Our experience ensures an optimal and future-oriented integration of various systems and facilities in project planning and installation services, both for expansion and new construction.

Main Tasks:

- Responsibility for medium and large projects on the construction site
- Execution, coordination and supervision of installations and assembly work
- Material ordering and management
- Leading and scheduling of installation personnel
- Supporting work for the preparation of measurements and invoices
- Readiness for assembly work
- Supervision of framework agreements

Required profile:

- Completed vocational training as an electrician/electronics technician, possibly with further training as a technician/master craftsman
- Relevant professional experience in construction management
- Experience in the management of employees, external personnel
- Independent and committed way of working as well as ability to work in a team, flexibility, resilience and communicative
- At least German-level-A1 or English-level-B1

The company offers:

- Permanent contract
- Salary between 3.100 € to 3.500 € gross/ month (13 months)
- German course
- Accommodation during the first six months and support in finding a place to live
- Support on arrival and with dealing with the authorities
- Challenging and varied tasks in a modern company and operating throughout Germany
- Working hours: 40 hour/week
- Flat hierarchies and flexible working hours
- Extensive training programs and individual promotion of talents

How to apply: Please send application (CV in English) to markus.skrbina2@arbeitsagentur.de
